Hypertherm[®]

Powermax45® XP

Professional-grade plasma system for cutting 5/8" thick metal, gouging, and marking.

Capacity	Thickness	Cut speed	
	Cutting		
Recommended	5/8"	20 ipm	
	7/8"	10 ipm	
Severance (hand cutting)	1-1/8"	5 ipm	
Pierce*	1/2"		
	* Pierce rating for handheld use or with	automatic torch height control	
Capacity	Metal removal rate	Groove profile	
	Gouging		
Typical gouge	7.5 lbs per hour	.12" D x .26" W	

Easy-to-use with versatile design

- Small size and light weight provides exceptional portability for a 5/8" rated cutting system.
- Handheld and mechanized usage with CNC interface and FastConnect™ torch connection.
- Patented drag-cutting technology makes it easy to use even for first-time operators.
- Tackle different jobs with multiple, easy-to-use torch and consumable styles.
- No need to change the air pressure. Smart Sense™ technology ensures that it is always correctly set.
- Mark, score and make precision gouges with new low amp process.

Maximum productivity

- Finish jobs faster with cut speeds one and a half times greater than oxyfuel on 1/4" mild steel.
- Spend less time on grinding and edge preparation due to superior cut and gouge quality.
- Fast change out of consumables using the new torch disable switch feature.

Rugged and reliable

- Duramax® Lock torches are designed for high-impact and heat resistance.
- SpringStart™ technology ensures consistent starting and a more reliable torch.
- Hypertherm Certified™ reliability ensures performance in the most demanding environment.

Duramax Lock standard torch styles (for more torch options, see www.hypertherm.com)

Relative cut performance on mild steel

CSA-certified for use in the Americas and Asia, except China
Power supply: 3-year Torch: 1-year

Common applications

Property/plant maintenance, fire and rescue, general fabrication, plus:

HVAC and Mechanical contracting

Educational institutions

Agricultural and farm equipment maintenance

Ordering information

Below are common system configurations which include a power supply, torch, and work cable. Additional configurations are available or a custom configuration can be made. See the next page for details.

Recommended Hypertherm genuine accessories

Face shield

Clear face shield with flip-up shade for cutting and grinding. Safety shield included. ANSI Z87.1, CSA Z94.3, CE

127239 Face shield shade 6 127103 Face shield shade 8

Air filtration kit

A ready-to-install kit with a 1-micron filter and an auto drain moisture separator protects against contaminated air.

128647 Eliminizer filter

Leather torch sheathing

Available in 25' sections, this option provides additional protection for torch leads against burn-through and abrasion.

024877 Black leather with Hypertherm logos

Circle cutting guides

Quick and easy set up for accurate circles up to 28" diameter. For optional use as a stand-off guide for straight and bevel cuts.

127102 Basic kit - 15" arm, wheels and pivot pin

027668 Deluxe kit - 11" arm, wheels, pivot pin, anchor base and plastic case
